

Personal Services

Hair Salons, Day Spas, Nail Salons, Barbershops, Tanning Facilities,
Tattoo Services and Body Piercings

Key Practices:

- Maintain 6 foot social distancing

- Frequently wash hands

- Employees and Clients must be masked

Employees **MUST** perform a daily symptom assessment:

- cough
- shortness of breath
- difficulty breathing
- fever
- chills
- headaches

Maintain accurate appointment and walk in records:

- Date/time of service
- Name of Client
- Contact information of Client

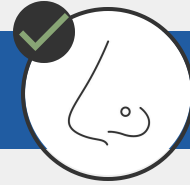

Discard non-essential items in the waiting area that cannot be disinfected:

- magazines
- books
- newspapers

Specify hours for "at-risk" populations:

- elderly
- immunocompromised
- children

Both **oral** and **nose** piercings are prohibited due to the given risk of respiratory droplet transmission
